【Important Notice】

Caution regarding to COVID-19
(New measures for border security enforcement)

To Students of Saga university,

The following measures by the Government of Japan as new measures to strengthen border security control will be carried out from July 1, 2020.

● The Government of Japan added some more countries as countries and regions with denial of permission to land, in total 129 countries.

※ Please refer to the Ministry of Foreign Affairs Website below for information of designated areas of the entry ban.

● Due to the policy of strengthening quarantine, immigrants who have stayed in the area for refusal of entry permission within 14 days are subject to PCR test.

● The implementation period for quarantine strengthening, visa restrictions, limits of arriving airport for aircrafts, measures to control the number of arriving passengers that was supposed to be by the end of June will be extended to the end of July (This period is subject to be updated).

Please refer to the following link for details on the above measures.
