Cancellation of face-to-face classes and ban of club activities

As a Saga University student tested positive for COVID-19, the decision has been made as follows in order to prevent the spread of infection.

【Regarding cancellation of face-to-face classes】
Facet-to-face classes are cancelled except special educational subjects in Faculty of Medicine between July 29th and 31st. Please be sure to confirm HP of Saga University and e-mail as we will inform face-to-face classes after August. Also, a person in charge of classes will inform you regarding alternative measures of face-to-face classes.

【Regarding club activities and facility use】
For the time being, all the club activities are banned. Facilities for sports and extracurricular activities on campus are also banned to use.
