Regarding face-to-face classes in August

Related to COVID-19 infection of our student in Saga University, a PCR test was conducted to people concerned with University, who were suspected of contacting to the student. According to the announcement by Saga Prefecture on July 29, it was confirmed that all tested negative.

As a result, face-to-face classes (including regular exams) will start from August 1.
Please note that face-to-face classes may be subjected to cancel depending on the spread of infection of COVID-19 so please be aware of University’s HP and email.
