Introduction of Exchange Programs

Program Description

PAX(Program for Academic Exchange)

- Diverse courses taught in Chinese or English in 10 colleges.
- 1 semester- 1 academic year
- Students are required to register at least two courses with 1 course in the host department/ institute or the host college.

Lab Exchange Program

- Great opportunity to conduct project at research labs in many fields.
- 3 months – 1 academic year
- Students mainly do research with host professors. They are not forced to register courses.

Benefits

- Tuition waiver (The fees of mandatory insurance and accommodation are not included.)
- Monthly stipend will be offered upon budget availability and qualification of students. (Benefits only apply to the nominees that fall within the agreed quota of the partner university agreement.)
