Community & Technological Camp

CommTECH INSIGHT

2026

“More than a short program:
Global Connections for Our Future Community”

Stream 2:

SDGs Innovations

9 - 20 February 2026

CommTECH Camp: SDGs Innovations is an immersive program designed for university students and academics who are eager to explore the Sustainable Development Goals (SDGs) in action! This stream will focus on innovative implementations of SDGs at ITS and in Surabaya.

Participants will engage in dynamic courses, discussions with key entity representatives, and hands-on societal engagement. Participants will experience Indonesian culture and culinary delights while visiting iconic destinations. This program offers unique opportunity to exchange ideas, to collaborate on sustainable innovations, and to deepen your understanding to the role of technology in community development.

*Scholarship will be provided for selective participants from different institutions

Institut Teknologi Sepuluh Nopember (ITS)

Institut Teknologi Sepuluh Nopember (ITS) is a world-class Legal Entity State University (PTNBH) that contributes to national independence and becomes a reference in education, research, community service as well as the development of innovations, especially those that support industry and maritime affairs.

Institut Teknologi Sepuluh Nopember is attached to the history of the Republic of Indonesia's struggle for independence. The establishment of ITS was pioneered by Indonesian independence heroes since 1957, involving dr. Angka Nitisastro, Soedjasmono, Kyai Haji Yahya Hasyim, and supported by Roeslan Abdulgani.

The new motto of ITS Advancing Humanity is to foster a new enthusiasm in creating innovation through technology and knowledge for society. The motto was chosen to be a new motivation in continuing an active role for human civilization according to ITS values. Vivat!

About CommTECH

Community and Technological (CommTECH) camp is an opportunity for university students, academics, and professionals from all over the world to learn about community and global issues through a variety of insightful but fun activities. The aim of this program is to facilitate an opportunity to better understand ITS's expertise in technology implementation within the society while visiting, discovering, and experiencing Indonesia's diverse heritage and culture.
